**CAUTION**

- For your own safety and the safety of others, carefully read these instructions before using this gun.
- Only handle your gun in its safe condition.
- Always make sure that the muzzle points in a safe direction.
- Please also always observe the legal regulations effective in your country for the use of arms.

ACHTUNG

- Zu Ihrer eigenen und zur Sicherheit anderer lesen Sie die Bedienungsanleitung vollständig und sorgfältig durch, bevor Sie mit der Waffe erstmalig hantieren.
- Hantieren Sie nur mit der Waffe, wenn diese gesichert ist.
- Achten Sie stets darauf, dass die Mündung in eine sichere Richtung zeigt.
- Bitte beachten Sie das jeweilige Waffengesetz in Ihrem Land.

**ATTENTION**

- Pour votre sécurité et celle d'autrui, lisez attentivement le mode d'emploi avant d'utiliser l'arme pour la première fois.
- Ne manipulez l'arme que lorsque la sécurité est enclenchée.
- Assurez-vous que la bouche est orientée dans une direction non dangereuse.
- Veillez à respecter la législation sur les armes en vigueur dans votre pays !

ATENCIÓN

- Por su propia seguridad y la de los demás, lea detenidamente las instrucciones de uso antes de disparar el arma por primera vez.
- Manipule la pistola sólo cuando esté asegurada.
- Asegúrese de que la boca apunte siempre en una dirección segura.
- Rogamos observe en todo caso la legislación vigente en su país sobre el uso de armas.

FULL

AUTO

- When batteries are almost empty they can cause gearbox malfunctions that require repair.
- Batteries should never be overdischarged. This can damage the cell.
- Prolonged overcharging causes permanent damage to batteries.
- The battery should always be drained before charging.
- There is no warranty for batteries, because they are wear parts.
- Use only those batteries: Li-Po 7,4 V / 11,1 V.
- **Please note that flat batteries must not be put in the household waste. Dispose of them properly, hand them in at your local shop for disposal or take them to a used battery collection location.**
- Bei fast leeren Akkus kann es zu Gearbox-Störungen kommen, welche reparaturbedürftig sind.
- Akkus dürfen nicht tiefentladen werden, sonst können die Zellen beschädigt werden.
- Längeres Überladen verursacht dauerhaften Schaden der Akkus.
- Akkus sollten vor dem Laden stets entladen sein.
- Auf Akkus kann keine Garantie gewährt werden, da sie Verschleißteile sind.
- Verwenden Sie nur folgenden Akkutyp: Li-Po 7,4 V / 11,1 V.
- **Verbrauchte Batterien gehören nicht in den Hausmüll. Lassen Sie diese nur über den Fachhandel oder durch Batterie-Sammelstellen entsorgen.**

- Si les accus sont presque vides, des perturbations au niveau de la transmission pourraient en résulter qui rendent nécessaire une réparation.
- Il ne faut pas décharger complètement les accus. Sinon, les cellules risquent d'être abîmées.
- Toute surcharge de longue durée est susceptible d'abîmer les accus durablement.
- Avant tout chargement, il faudrait que les accus soient toujours déchargés.
- Nous ne pouvons pas accorder de garantie pour les accus, car ceux-ci représentent des pièces d'usure.
- Utilisez uniquement le type de batterie suivant : Li-Po 7,4 V / 11,1 V.
- **Vous ne devez pas jeter les piles usagées dans le conteneur à ordures ménagères. Déposez les dans des commerces spécialisés ou à des points de collecte de piles.**
- En caso de que la batería esté vacía, pueden producirse daños en la caja de mando que necesitarán una reparación.
- No se deben descargar totalmente las baterías, ya que se podrían dañar los elementos.
- La sobrecarga duradera ocasiona averías permanentes en las baterías.
- Las baterías siempre deben estar descargadas antes de su carga.
- En las baterías no se ofrece ninguna garantía ya que se trata de piezas consumibles.
- Use sólo el siguiente tipo de batería: Li-Po 7,4 V / 11,1 V.
- **Las pilas usadas no deben tirarse en el contenedor de basura doméstico. Deséchelas en comercios especializados o en puntos de recogida de pilas.**

**CAUTION! AVOID CRUSHING OF THE CABLES. VORSICHT! NICHT DIE LEITUNG QUETSCHEN.
ATTENTION ! NE PAS COINCER LA LIGNE. ATENCIÓN! NO APLASTE EL CIRCUITO.**

Only use flawless BBs. Never use the following BBs: (1) diameter larger than 6 mm, (2) with edges, (3) both halves not aligned, (4) used, soiled. Warranty expires if non-recommended BBs are used. It's recommended to use precision BBs from Umarex / Walther. To ensure proper operation of the magazine, protect it from dirt and dust.

Verwenden Sie nur einwandfreie BB-Kugeln: ø 6 mm. Verwenden Sie auf keinen Fall folgende BB-Kugeln: (1) Durchmesser größer als 6 mm, (2) mit Grat, (3) versetzte Hälften, (4) gebraucht, verschmutzt. Bei Gebrauch ungeeigneter Geschosse erlischt die Garantie. Empfohlen werden Präzisionsrundkugeln des Herstellers Umarex / Walther. Vermeiden Sie das Eindringen von Schmutz und Staub in das Magazin.

N'utilisez que des billes BB (sans défaut). N'utilisez jamais les types de billes BB suivants: (1) Diamètre supérieur à 6 mm (2) avec angles (3) moitiés déplacées (4) usagées, sales. Si des projectiles autres que ceux appropriés sont utilisés, la garantie ne sera plus valable. Il est recommandé d'utiliser des billes de précision de la marque Umarex / Walther. Pour garantir le bon fonctionnement du chargeur, faites en sorte que les saletés et poussières n'entrent pas dans le chargeur.

Utilice únicamente bolas BB que no presenten defectos de calibre 6 mm. No utilice en ningún caso los siguientes tipos de bolas BB: (1) Diámetro superior a los 6 mm, (2) con cortes, (3) con mitades que no coinciden, (4) usadas o sucias. Si se utilizan proyectiles distintos de los apropiados, quedará anulada la garantía. Se recomienda usar bolas de precisión de la marca Umarex / Walther. Para garantizar el buen funcionamiento del magazín, evite que la suciedad o el polvo entren en el mismo.
